

Beekeeping Experience Days

We are excited to announce that we are planning to run our Beekeeping Experience Days for Summer 2021.

Receive a practical basic introduction into the world of bees & bee keeping, at Walker's very own apiary.

What's involved?

- Examination of a national beehive and its structure
- Get kitted up in a bee suit and try out the smoker and hive tool
- Learn about opening a beehive and removing frames for inspection
- Identifying the castes of the honey and other bees
- Recognising brood and stores

£60 per person, including a complimentary Walker's lunch.

Running on selected Wednesdays and Sundays. Vouchers are available, for a unique gift idea.

How do I book?

If you'd like to register your interest, send an email over to hello@walkersnurseries.tv.
